## Immediate Openings!

## Who We Seek:

Alarm Technician/Installer

## Who We Are:

Northwestern Ohio Security Systems (NW OSS) is a system integrator with over 30 years of experience and service to our customers. We specialize in designing, installing, and servicing fire systems, security and access control systems, and video surveillance systems. We have been providing these services to commercial, financial, industrial, education, and government customers throughout all of Ohio and other states in the Midwest since 1981.

## Job Description:

We are seeking an entry level field alarm installation technician. This person will install and service alarm systems in NW Ohio area. Will train in Lima, OH for 6-12 months. Truck, tools, and uniform will be provided. Full time with benefits.

## Minimum Requirements:

- ⊕ Two-Year associate's degree required.
- ⊕ Very people oriented, friendly, and willing to talk to our existing customers on a daily basis.
- ⊕ Must have a valid driver's license, be able to pass a background check, and pass a pre-employment drug test.
