Who We Seek:

Electronic Technician

Who We Are:

Northwestern Ohio Security Systems (NW OSS) is a system integrator with over 30 years of experience and service to our customers. We specialize in designing, installing, and servicing fire systems, security and access control systems, and video surveillance systems. We have been providing these services to commercial, financial, industrial, education, and government customers throughout all of Ohio and other states in the Midwest since 1981.

Job Description:

We are seeking an entry level field service technician to work on security and fire alarm systems. Will train in Lima, OH for 6-12 months. Must be willing to relocate in Ohio. Truck and tools will be provided. Benefits, full time.

Minimum Requirements:

- ⊕ Two-Year associate's degree required.
- ⊕ Entry level.
- ⊕ Very people oriented, friendly, and willing to talk to our existing customers on a daily basis.
- ⊕ Must have a valid driver's license, be able to pass a background check, and pass a pre-employment drug test.

To Take the Next Step with NW OSS – please email your resume, references, and minimum wage requirements to:

Jobs@nwoss.com.

NW OSS is an equal opportunity employer.
